# Beauty and the Beast Special Calendars 2022

### Calendar Booklet

*(file makes 2 booklets - so you can give one to a friend)*

You will need three sheets of 8 1/2" X 11" paper (or A4 size). Use your printer settings to 'print to fit'. Can be printed in either colour or greyscale.

Print the pages, in the order displayed in the file:

(1st sheet) Page 1, Page 2 on the reverse of the Page 1,

(2nd sheet) Page 3, Page 4 on the reverse of the Page 3,

(3rd sheet) Page 5, Page 6 on the reverse of the Page 5.

Cut the pages across the middle to separate out the two identical calendar booklets.

Assemble them in the order you printed them and fold carefully. Staple in the centre fold, if desired, or use a paper punch to make two holes in the centre fold, thread through a piece of ribbon or string, then tie it in a bow.

### Flip Calendar

Print booklet in order presented in the file, one side only, one page per sheet.

Cut page into quarters, to separate the months. Assemble in order.

Punch hole in centre top of month pages, or staple together
