

Halloween Treat

by Allison

"Hey, Radcliffe, you got plans for lunch this Halloween Day? Joe asked, as he came to her desk.

"No, I was gonna grab something from the vending machine. Why?"

"I was gonna ask you, but I think I've just been upstaged."

"Huh?"

Joe pointed to the office door.

Catherine's jaw dropped as she noticed Vincent's massive frame standing there holding a picnic basket.

"Happy Halloween, Radcliffe, and uh ... don't rush back from lunch, if you know what I mean." Joe gave her an evil grin and pushed her toward the door.

"Hey, girlfriend!" Edie yelled after her. "I want details."

Catherine's laughter could be heard, as she walked out the door. Vincent gave Edie a wink.

"C'mon Edie. Lunch. My treat."

"For you, boss, I think I can stand the company and spare the time."

Joe just laughed as they left the office.
