

VINCENT

by Ann Rideout

'What Rough Beast' not you----
'A Fair and Gentle Knight'
We 'Remember Love' when on
You our eyes alight
When we knew here and on
'A Distant Shore'
You were to be no more
We attacked 'The Hollow Men'
Who would take you from us
'Brothers' across the great divide
But in the 'Labyrinths' of our minds
We fought to keep the dream alive
We are the 'Watchers' not the
'Outsiders' and will build
Your 'Kingdom By the Sea'
Once more
For Beauty, Love and Truth does not die
