

# **WITHIN YOUR LIGHT**

by Lorraine Cirelli Gupton

## **WITHIN YOUR LIGHT**

*I dared to believe  
The dreams of such a man  
To hear the sweetest song of hope  
to accept that I deserve to love  
And shine as if I truly were a God*

## **WITHIN YOUR LOVE**

*I dared to taste  
What was thought forbidden  
To yearn for something more  
To mock this wretched fate  
And reach for all that  
Heaven would allow*

## **WITHIN YOUR SMILE**

*I dared to envision  
Two hearts joined as one  
To whisper that I was  
No longer alone  
To share my darkest of secrets  
And offer you all that I am  
And will evermore be.*

*O, behold this man  
Whom fate has chosen to bless  
O, behold this man in love*
