

TUNNEL MATES

by Suzie Prince

(from CRYSTAL CAVERN ELEVEN)

*Mouse and me, we're Tunnel Mates
Our Dad, we call him Father
Mouse has a pet to call his own
in fact, he calls him Arthur*

*Mouse likes to read, he reads my notes
My notes sent from Above
When Catherine writes, she always puts
"Mouse, give that to my love"*

*We talk, we laugh, we mend the pipes
We go to tunnels unexplored,
We break the rules that Father's made
To keep them, we'd be bored!*

*I had a brother, Devin, once
But that was long ago.
Now Mouse and me we're lifelong mates
He sure is nice to know.*
