

# Sauce

by Judith

“I have found something for you, this time, Catherine.”

“For me? Why?”

“I decided we could start your own collection, next to mine. I have here a magnetic sheet that Mouse found.”

“You’re truly getting into the spirit of the idea.”

“I also wrote to Devin, asking him for more like he sent for me.”

“Oh no! That will be interesting. That man has a devilish sense of humour.”

“Sauce for the goose, Catherine...”

“Very well, show me what you’ve found.”

“I may not be as resourceful as you, but I think it will serve.”

“Oh, Vincent, it’s truly beautiful...”
