

Memories

by Judith

“I clearly remember the night I was shot. It all seems so long ago, now.”

“It’s almost 2018, Elliot. It’s time to find some new memories.”

“I keep it in mind, that long-ago night, because it’s how I found you, Shannon. If I hadn’t been shot by Gabriel’s henchman, then I wouldn’t have been taken Below. Vincent may have saved my life that night, but you saved my soul.”

“I do believe that’s the nicest thing you’ve ever said to me.”

“It’s the truth.”

“I love you, Elliot Burch.”

“I love you more than life, itself. And I always will...”
