**1) When did you become a B&B fan?**

*I was about 18 years old watching TV in my room one night, this ad came on for BATB.. "Once upon a time, in the city of New York" I was hooked right then andthere.*

**2) What attracted you to the series?**

*What attracted me to the series was the romance, trying to overcome impossible odds. When something is not meant to be yet really IS meant to be at the same time, (if that makes any sense)*

**3) What changes have occurred in B&B fandom over the years?**

*I have been part of fandom for many years and in many ways. although I have only ever attended two conventions 2010 and 2016.. I noticed right away that those who had attended these events were very close with each other, the friendships were visable and admirable. As a " Con Virgin" in 2010 the closing ceremony "Circle" was so touching it brought me to tears. In the negative column, I am sorry to say that there did seem to be some Cliques and that makes it harder to get to know people when you're the newbie.*

**4) What do you enjoy most about the series?**

*What I enjoy the most about the series is the love that Vincent and Catherine have for each other. The lengths they go to for each other. No matter what happened to try and tear them apart, they always fought to get back to each other.*

**5) What do you wish B&B fans would do?**

*I wish B&B fans would learn from the tunnels... Do not let negative feelings, or circumstances dictate your behaviour. We are ALL a part of fandom and we ALL should work together to keep the dream alive.*

**6) How much time do you devote to B&B in an average month (including social media time)?**

*I devoted 4 years of my time when the 30<sup>th</sup> Anniversary Con was in the works. I am still active*

*with social media groups. I have a few friends that I watch Epi's with online, and of course watch my DVD's whenever I can.*

**7) How many B&B fans have you met?**

*I have met 100's of fans, some at conventions but mostly on social media sites.*

**8) What is your favourite memory as a fan?**

*My favorite memory as a fan of the show was having Linda Hamilton at the 2010 Con. I have met her many times but she was amazing that day...*

**9) How has B&B changed your life?**

*B&B has changed my life in so many ways. The friendships I have made have been a blessing!*

**10) If you could have one B&B wish granted, what would it be?**

My one B&B wish would be for fans to have gotten a chance to see Catherine and Vincent get married and live in the tunnels together. I would also LOVE to have a conversation with Vincent in the tunnels (I have met Ron Perlman btw) but I am talking full Vincent costume and that voice... OMG! Oh wait, that is two wishes, and you said one.. DANG... so many wishes so little time. LOL
