

30th Anniversary Special Interview

Donna Beranek Fan

1) When did you become a B&B fan?

I have been a fan since the beginning.

2) What attracted you to the series?

The show was very different from anything else on TV and the Vincent character was amazing.

3) What changes have occurred in B&B fandom over the years?

Obviously, there are less original fans and a lot more younger fans.

4) What do you enjoy most about the series?

The episodes are timeless, they can be watched over and over and I never get tired of them.

5) What do you wish B&B fans would do?

I wish certain fans could accept that there were three seasons and stop acting like Season Three didn't exist.

6) How much time do you devote to B&B in an average month (including social media time)?

I don't devote a lot of time to B&B, I like to do cross stitch projects with a B&B theme and watch an episode once in a while.

7) How many B&B fans have you met?

I haven't met any B&B fans in person. I have met a few online.

8) What is your favourite memory as a fan?

A favorite memory would be the discovery of B&B cross stitch patterns.

9) How has B&B changed your life?

I don't think it's changed my life, it is something I enjoy watching. I did discover Ron Perlman, a brilliant actor, whose work I follow.

10) If you could have one B&B wish granted, what would it be?

To meet "Vincent". I'm sure that's everyone's wish.
