

# 30th Anniversary Special Interview

## Louise Halle Fan

**1) When did you become a B&B fan?**

*From the first show, when I watched the pilot*

**2) What attracted you to the series?**

*I had always loved the fairy tale as a child*

**3) What changes have occurred in B&B fandom over the years?**

*I have only been online for a few years, however with Dallas being my first and only con so far, I have not noticed too many changes, except that perhaps the cons are much smaller.*

**4) What do you enjoy most about the series?**

*I love the chemistry between Ron and Linda – as far as I'm concerned, no one could do that show better.*

**5) What do you wish B&B fans would do?**

*I find all the fans I have met more than wonderful. I have never experienced such kindness of heart. They are truly special people, so to answer the question – just keep doing what they are doing.*

**6) How much time do you devote to B&B in an average month (including social media time)?**

*Tough question as I read B&B fanfic almost every night, plus I am online at work off and on almost every weekday. I would have to say 'QUITE A BIT' - in hours, maybe being conservative, 30 hours a month.*

**7) How many B&B fans have you met?**

I would say at least 90.

**8) What is your favourite memory as a fan?**

From the series, my favourite scene is the rose bush. From a people standpoint, I will never forget my friend Allison, whose heart is B&B personified.

**9) How has B&B changed your life?**

*The fanfic has sent me to a world where there are no tears, just happy endings, so for me it changed the series from heartbreak to happiness.*

**10) If you could have one B&B wish granted, what would it be?**

*I would love to see Ron and Linda reprise their roles, just for one scene where when Vincent is holding the baby at the naming ceremony, Catherine would enter and say his name. Just one look from Ron to Linda would do it for me.*
